

2017 Contributors

We graciously thank the financial contributors who help us save lives and offer hope and healing.

Money raised supports public education about organ, eye and tissue donation so that more people in our communities say yes to donation as well as provide care and resources for donor families.

THERE ARE MANY WAYS YOU CAN SUPPORT US

Whether you make a financial contribution in memory of a friend or loved one, include LifeSource in your estate plans or attend a fundraising event, we recognize these gifts and steward them in service of our mission to offer hope and healing through excellence in organ and tissue donation.

Your support helps sustain our programs to increase donor designation and support families of organ, eye and tissue donors. For more information about making a charitable contribution, please contact Kristin Rigg or contribute online.

This list recognizes contributions made January 1, 2017 to December 31, 2017. We are grateful for your support of our mission. Every effort has been made to ensure the accuracy of this list. If your name has been inadvertently omitted or listed inaccurately, please contact us at 1.888.5.DONATE.

LifeSource is a private, nonprofit organization and all charitable contributions are tax-deductible.

Contributions can be made by check or online with a credit card. Thank you for your support!
